Networks (ISSN: 0028-3045) is published monthly except in February, April, June, and November, two volumes per year, by John Wiley & Sons, Inc., 605 Third Avenue, New York, NY 10158.

Copyright © 1995 John Wiley & Sons, Inc. All rights reserved. No part of this publication may be reproduced in any form or by any means, except as permitted under Section 107 or 108 of the 1976 United States Copyright Act, without either the prior written permission of the publisher, or authorization through the Copyright Clearance Center, 222 Rosewood Drive, Danvers, MA 01923, (508) 750-8400, fax (508) 750-4470. Second-class postage paid at New York, NY, and at additional mailing offices.

The code and the copyright notice appearing at the bottom of the first page of an item in the journal indicate the copyright holder's consent that copies may be made for personal or internal use, or for the personal or internal use of specific clients, on the condition that the copier pay for copying beyond that permitted by Sections 107 and 108 of the United States Copyright Law. The per-copy fee for each item is to be paid through the Copyright Clearance Center, Inc.

This consent does not extend to other kinds of copying, such as copying for general distribution, for advertising or promotional purposes, for creating new collective works, or for resale. Such permission requests and other permission inquiries should be addressed to the Permissions Dept.

Subscription price (Volumes 25–26, 1995): $640.00 in US, $720.00 in Canada and Mexico, $750.00 outside North America. All subscriptions outside US will be sent by air. Payment must be made in US dollars drawn on a US bank. Claims for undelivered copies will be accepted only after the following issue has been received. Please enclose a copy of the mailing label. Missing copies will be supplied when losses have been sustained in transit and where reserve stock permits. Please allow four weeks for processing a change of address. For subscription inquiries, please call (212) 850-6645; E-mail: SUBINFO@jwiley.com.

Postmaster: Send address changes to *Networks*, Susan Malawski, Director, Subscription Fulfillment and Distribution, John Wiley and Sons, Inc., 605 Third Avenue, New York, NY 10158. For subscription inquiries, please call customer service at (212) 850-6645 or write to the above address.

Advertising Sales: Inquiries concerning advertising should be forwarded to Roberta Frederick, Advertising Sales, John Wiley & Sons, 605 Third Avenue, New York 10158, (212) 850-8832. Advertising Sales, European Contact: Michael Levermore, Advertising Manager, John Wiley & Sons, Ltd., Baffins Lane, Chichester, Sussex PO19 IUD, England.

Reprints: Reprint sales and inquiries should be directed to the Customer Service Department, John Wiley & Sons, Inc., 605 Third Avenue, New York, NY 10158. Tel: (212) 850-8776.

Manuscripts should be submitted to the Managing Editor, Professor C. L. Suffel, Department of Mathematics, Stevens Institute of Technology, Hoboken, NJ 07030. **Information for contributors** appears in the first and last issue of each volume. **All other correspondence** should be addressed to: *Networks*, Publisher, Interscience Division, Professional, Reference, and Trade Group, John Wiley & Sons, Inc., 605 Third Avenue, New York, NY 10158.

The contents of this journal are indexed in the following: *Compumath Citation Index, Computers and Control Abstracts, Computing Reviews, Current Contents / Engineering Technology and Applied Sciences, Electrical and Electronic Abstracts, Mathematical Reviews, Research Alert (ISI), Science Citation Index (ISI), and SCISEARCH Database (ISI).*

Editorial Production, John Wiley: Karin Beehler

This journal is printed on acid free paper.
